GENERAL INFORMATION

Conference Streams

The conference runs from 9.15am to 5.30pm with morning and afternoon tea and lunch included. Fees have been kept to a minimum, for which we are grateful of the support of NAB Corporate. Registrants are asked to enrol in a stream and pay the associated fee. There are three Streams: Family; Health Professional; and Researcher.

Fees

Researchers, medical and allied health professionals are \$100 per registration (Students \$50); and CFV Members are \$50 per person or \$85 for two. Other non-members are \$100 per person or \$160 for two (Membership is currently \$25pa and membership applications are available on request).

Cross Infection

This event is subject to CFV's cross-infection policy. For details please refer to our website (www.cfv.org.au) or contact (03) 9686 1811.

Conference Posters

There are eight A3 poster displays available for conference participants who are not able to present their work during the scheduled sessions. Preference will be given to health professional students or research students, where possible. For further information about posters please email learning@cfv.org.au or call 9686 1811.

Disclaimer

While every effort is made to ensure the accuracy of information presented about the CFV 2010 Conference, the CFV 2010 Organising Committee cannot guarantee that ever session, event or presentation will take place as advertised.

CFV CONFERENCE 2010 EMPOWERMENT

PRESENTED BY CYSTIC FIBROSIS VICTORIA

THE XYZ OF CF& U

Saturday, 14th August from 9.15am to 5.30pm
The NAB Academy,
800 Bourke Street, Docklands

Phone: +61 3 9686 1811 Freecall: 1800 633 685

INVITATION

Education and information sharing is at the heart of better wellbeing and longevity outcomes for those living with CF. There are almost no opportunities, however, in the Cystic Fibrosis community for lay people and health professionals to interact in conference in Australia.

Recognising the need to enable the transfer of knowledge and experience and to advance a greater understanding of life and living with Cystic Fibrosis between these groups - particularly in the rural regional context - this year we have extended the traditional reach of our biennial conference to include health professionals and researchers as well as CFV family members. As a result our conference has moved to a more substantial information sharing and community engagement event with three streams (Family, Health Professional and Research), exhibitors, and renowned speakers and the fantastic NAB Academy at 800 Bourke Street, Docklands. We are grateful to our sponsor NAB for making this possible.

Kind regards,
Stephen Murby, CFV, Conference Chair
Julie Noorman, NAB, Conference Secretary
